Kids and parents alike will flip for the new gymnastics options, including more recess programs, **Try Gymnastics** classes and private lessons.

New for Adults this season is **Bolly-X**, a dance-fitness group exercise program that will have you dancing like a Bollywood star and drop in **Zumba** classes for \$10/class.

Don't forget to check out all the special events coming this fall. You'll find popular favorites like **Harvest Fest**, **The Halloween Woodland Wander**, and **Breakfast With Santa**, along with some creative new events. Join in the excitement of **Parking Lot Picassos** on September 29 and **Hamster Ball Races** on November 16. We hope to see you there!

### Concert in the Park

Don't miss the last Summer Concert of the season. The Swooners will be in town on Sunday, August 26, 4:00-6:00pm. Since late 2010, the Swooners have been swooning fans into a blissful state of musical ecstasy with lush vocal harmonies, virtuosic solos, and killer dance grooves. They aim to only perform what they consider to be the best music from throughout the ages and really know how to throw a party! These cool cats are the crème de la crème as far as musicality and taste and will leave you wanting more! Concessions will be available throughout the event.

You may have noticed some construction going on over at the Senior Center. Thanks to a generous donation from the Marucci family, a new shelter is going up over the bocce courts.

Thank you to Supervisor Schultz for saving taxpayer dollars by doing the engineering on the project and to all the Town employees who are working hard to complete the construction phase of the shelter. Soon, the seniors will be playing bocce in the shade!
