 605 Calkins Road | Henrietta, NY

**September/October 2018**

The season is just wrapping up at the Community Garden and the harvest is bountiful. Forty-four gardeners worked the soil in the raised bed garden plots at the Community Garden this past spring and summer. The harvest included many varieties of tomatoes, potatoes, squash, kale, cucumbers, flowers, herbs and more. Out in the pumpkin patch, larger items, such as corn and pumpkins, flourished. The Recreation Department would like to acknowledge the hard work of the volunteer Garden Coordinator, Dave Jones, who kept things organized and the garden looking great. The Community Garden is located on Calkins Road, across from the Tinker Nature Park and is open to all Henrietta residents for a fee of \$50 per plot. Registration for the 2019 season opens December 11.
