

## Town of Henrietta ACTIVE TRANSPORTATION PLAN

## YOU'RE INVITED

## OPEN HOUSE :: TUESDAY JUNE 9TH FROM 4:00PM-7:00PM

Rochester Institute of Technology (RIT) Golisano Institute for Sustainability (GIS) Building
111 Lomb Memorial Drive, Rochester, NY 14623
Parking Available in the T-Lot (No Parking Permit Required)

The Active Transportation Plan will help the Town plan its future walking and bicycling infrastructure in a manner that is on par with the best practices from around the country. This project will support the continued development of safe, functional and attractive facilities for biking and walking in Henrietta.

The June 9<sup>th</sup> open house will display preliminary recommendations for improving safety, mobility, and connectivity for pedestrians and bicyclists. Stop by anytime between 4:00-7:00pm to contribute your ideas to the plan.

## **WE NEED YOUR INPUT!**
