

COLOR HENRIETTA GREEN

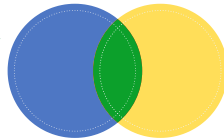

WHO WE ARE

As a network of Henrietta residents, businesses, and government, Color Henrietta Green will highlight best practices in community sustainability and engage in green initiative projects. We are not officially associated with any government entity at this time, nor are we an official not-for-profit. We are a volunteer organization in process and appreciate the support of our community!

POSSIBLE INITIATIVES FOR THE TOWN OF HENRIETTA

**NYSDERDA Clean Energy
Community (CEC)**

**NYS DEC Climate Smart
Community (CSC)**

Complementary programs with similar goals and grant opportunities
