Dear Friend(s):

We invite you to become a member of **Friends of Tinker Nature Park/Hansen Nature Center, Inc.** Friends' membership dollars support Nature Center programs, park events and the maintenance of our honeybee hives.

As a Friend, you are entitled to attend and participate in Friends' meetings and special events, serve on the Friends' Board, receive a discount on honey and free snowshoe/ski rental with your membership.

In 2019, in addition to our regular programming, our Friend's Group was able to support a new program! The Art & Garden Party at the Tinker Homestead was a rousing success and will be a regular celebration every June! Previous years generous support allowed the Nature Center to add a Kalamazoo Kind Carriage to the Tinker Homestead's Collection, a bird identification station for public use, and a collection of New York State bird's eggs. The Friends of TNP/HNC also sponsor several educational events including but not limited to Nature Camp, Earth Day, Harvest Festival, Halloween and our annual Holiday Celebration.

Please complete the form below and return to:

Friends of Tinker Nature Park/Hansen Nature Center, Inc.
