Jennifer,

Following up regarding our Application (65 Saginaw Dr) which is on your agenda for 6:00 tonight.

Was your Fire Marshall able to forward his comment(s) regarding our response to his questions? We met with him Monday and he said "he was satisfied with our response and would advise the Board of same".

Thank you.

Phil Clark

Good afternoon!

I am just following up on my previous email to confirm that the attached comments ("Applicant Notice") were received and see who will be in attendance at the meeting on August 30<sup>th</sup>, and whether anyone needs a link to join virtually. Also, please see the attached comments submitted by the Town's Dog Control Officer and additional comments from the Town's Fire Marshal.

Thanks!
