Establishment of the 13th Preservation District
September 16, 2009

The Historic Site Committee would like the Henrietta Town Board to establish the 13th Preservation District, known as the Heartland District. This district includes properties on both Middle and Martin Roads.

All property owners selected to be included in this district have been properly notified and an Information Night was given. Only those property owners who accepted this designation are included. They are:

Paul B Sprague	289 Martin Road
Raymond J. Joannette	415 Martin Road
Lois K. Reese	1313 Martin Road
Walter and Anita Onderdonk	1255 Middle Road

The above people are to be congratulated for their decision to be included in this district. Certificates of induction will be mailed to them shortly.

By the establishment of this district, these astute residents are protecting not only their residences, but also the residences of those people who did not elect to join. Once a district is established on a road, it protects everyone. These four owners are to be commended for their action.
